Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach a system and method for compressing text using variable length codes, the system comprising inter alia: a memory coupled to an encoder, the encoder generating a compressed text and at least one header to be inserted in the compressed text, the header including information regarding the location in the compressed text of a subsequent change in code length.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
